# HAYES AND WALDO FACE EACH OTHER

SUDDEN END TO RAIDS

Hayes Had Cleaned District, but Stopped Short . Last March.

Accused Policeman Tells of Threat by Waldo to . "Fire Him."

sioner's stenographer.

The trial will be resumed this mornvelop that the entire trial was for lawyers of the city and that during this conference Mr. Thacher agreed with the celebrated lawyer that the fact that Hayes was reinstated for an hour he is now being tried, as was suggested in THE SUN yesterday.

And so it is said that the plan of Hayes and his counsel since Thursday had been to let the trial proceed yesterday and to avoid all discussion of whether or not Hayes had been cleared until the trial on the charges was under If Hayes at the end of the present trial is vindicated, all well and good. profess to be close to the ex-inspector had a pleasant vacation.

## No Objection to the Trial.

In other words, by the present trial in the Northwest. he has everything to gain, and accordigh legal advice, nothing to The trial yesterday morning, therefore, was permitted by the Hayes side to begin without any reference on the part of Haves's lawyer as to the right of the trial commissioner to proceed. In this way no opportunity would be offered the prosecution in case of a decision that the old charges were out to bring new charges on which he could be tried according to law

No one, however, who attended the all day session in the court room yeserday doubted for a minute that, once started, this particular trial is to be and end of everything so far as Hayes s concerned. Every inch was contested y Mr. Thacher and by Haves himself when toward the end of the afternoon he had a chance to testify.

## Walde Ill at Ease.

Non-partisans who had dropped in easons to favor the prosecution's side after the end of the afternoon session how much better a witness Haves missioner had made for the prosecution during the morning and early afternoon. Commissioner Waldo's answers were involved and he was evidently ill at ease. He sighed with relief when he was excused from the chair at 3 o'clock

Hayes, who followed him after a reess of half an hour, gave his answers in a terse, clean cut and decided manner, whereas the Commissioner's answers to Mr. Thacher's questions were so long and so roundabout and at times argumentative that on one occasion

Hayes's lawyer was compelled gently o reprove him. "I don't want you," said Mr. Thache somewhat heatedly to the Commissioner at one stage of his questioning, "to give a lecture on the general administration of the Police Department every time I

## ask you about a particular transaction.

McKay Rules He May Preside. The expected question of the right o Pirst Deputy Commissioner Douglas I. McKay to preside as the trial judge in view of the fact that Hayes has subpoenseed him as a witness was brought when the court convened. Lawye Thacher's blood was up as soon as Mr. McKay took the chair and the lawyer insisted upon being sworn so that he could testify that certain testimony of layes's would be brought forth which Mr. McKay, according to the defence, is n a position to verify and that there-

Mr. McKay should not sit. Mr. Thacher said that regardless of hether or not the prosecution of the mained that Mr. McKay, after the trial, would "go into his secret chamber with without opportunity of cross-examination outside this case" and consequently

Mr. McKay ruled that nothing ha been shown to convince him that he

YAWL PHANTOM BURNS.

arrow Escapes When Stove Exploded on Booth Yacht.

The yawl Phantom, one of the fastest and ablest yachts of her class enrolled in the New York and Atlantic Yacht lub fleets, was totally destroyed by fire last night and sunk at her anchorage in Huntington Bay, about half a mile north of the Chateau des Beaux Four Violent Deaths and Dis-

Arts pier.
E. S. Booth, the owner of the yacht; Thomas Eaton, her captain; the cook and one hand were on board when the gasolene stove upon which the cook was to the yacht's cabin. All four had nar-row escapes, both from suffocation and drowning. They owe their rescue to Broker Who Sued in Stenton Elmer Garretson, manager of the Beaux Arts, who first saw the blazing yacht from the shore. He rowed out to her in a small boat and took the men off. The captain was overcome by smoke and one of the men was overboard when he arashore with one man before the fire.

Mr. Booth, who with his crew is being cared for at the Chateau des Beaux Prosecutors of Orange and New with Motor Dead McGee's Aero Arts, told the thrilling story of their vain efforts to save the yacht. "The explosion took place." said he, "at twenty minutes to 7 and the yacht sank at 9 o'clock. The blazing gasolene spread from the galley, which is midway between the cabin and the foreeastle, to the mattresses in the men's W. Gibson, the lawyer whom the self and his passenger. The case was put off until Monday on the receipt by Sheriff Harburger of a letter from the trust company, stating that it had no objection to a further adjournment to enable Gen. tion bearing several thousand names Sickles to pay the judgment.

# STRANGLES WIFE AND THEN KILLS HIMSELF

and Wife Found in Portage Lake Home.

MISSED SINCE WEDNESDAY

Dead Woman Was Nurse and Second Wife of Mahogany Merchant's Son.

PORTAGE LAKE, Me., Sept. 6 .- Daniel G. Emery, son of the late George D. Emery, a mahogany dealer who maintained the largest mahogany plant in the world, strangled his wife and then shot himself to death some time since last Wednesday.

Neighbors among the community of 500 people who make up this town thought it funny that they had seen nothing of the Emerys since last Wednesday and investigated to-night.

They first found Mrs. Emery dead in her room, covered by her night robe and having every appearance of having been shoved into the corner. A further search led them to Emery's room, where they found him stretched across the bed with the revolver still in his hand and several wounds in his head.

The town selectmen examined the room and surroundings and then reported to Coroner William F. Buzzell of Houlton, who will come here to-morrow and

valued at \$250,000. Emery called on the United States to end a warship to Bluefields to protect his interests. The dispute was referred to arbitration and Nicaragua agreed to pay \$600,000 in settlement of a claim for the annulment of the timber concession.

## ARMY SIMPLIFIES LETTERS.

Respectfully" and Other Useless

WASHINGTON, Sept. 6.—The word "re ectfully" is drummed out of the United States army together with "I have the honor, &c., " and other similar expressions by a new system of correspondence which is being put into effect this week.

mous amount of red tape in the army all ceremonials in correspondence and all sorts of unnecessary and superfluous ex sorts of unnecessary and superfluous expressions have been harred from all official
letters to be written hereafter. In the
list are included "Sir." "I have the honor."
"I would respectfully," "Very respectfully," "Respectfully referred," "Respectfully transmitted," "Respectfully forwarded" and "Respectfully returned."
At the head of each letter it will be
stated by whom and to whom the letter
is written, and the subject thereof. Officers signing will put only their names,
without titles, &c., as all those are given
in the heading.

Other radical short cuts and reductions in the army's letter writing have been effected by the new system, which is ex-pected to prove a great economy of the time of officers and clerks as well as a saving of a considerable sum of money
